

10th Year Anniversary Campaign – 10 for 10! 2015 Transverse Myelitis Society

This year is the Transverse Myelitis Society's 10th Anniversary!

In 2004 the TM Society was founded and in 2005 it officially registered with the Charity Commission for England & Wales.

During this time, the TM Society has been all-volunteer led and funded almost entirely by individuals fundraising and giving donations.

During this time we have grown into a network of support groups throughout the country and also offer information, activities, and services that enable our members to live well with the impact of the rare neurological auto-immune conditions we support – Transverse Myelitis (TM), Acute Disseminated Encephalomyelitis (ADEM), Neuromyelitis Optica (NMO) and Optic Neuritis (ON). In recent years, we have expanded the type of services and activities we offer.

To deliver on our planned activities for 2015 and beyond, what if this year

Each of us gives £10

And if you want, ask 10 family, friends and colleagues to give £10 each

A member could raise up to £110 (and if donors are tax payers, we can claim £0.25 for every £1 donated)

If this many members get involved, this is what we can raise for the TM Society's general funds:

100 members	500 members	1,000 members	1,500 members
£11,000	£55,000	£110,000	£165,000

Think of the **IMPACT** you can make.

£11,000	£55,000	£110,000	£165,000
<p>CAN PAY FOR</p> <p>Neuro-physiotherapy Bursary Scheme for adults and children for one year</p>	<p>PLUS</p> <p>Ongoing neuro-physiotherapy for children</p> <p>Annual member conference</p> <p>Equipment Grant Scheme</p> <p>Coaching Bursary Scheme</p> <p>Create new support groups</p> <p>Create information booklets</p>	<p>PLUS</p> <p>Annual Family Weekend for children with TM, ADEM, NMO, and ON their siblings and parents</p> <p>Telephone Support Line</p> <p>Donation to research</p>	<p>PLUS</p> <p>Commissioning a small research project</p>

Let's make a difference together
